ColourSpun
Natural Designer Fabric & Yarn

Pure Cotton Yarn and Embroidery Thread and Scintilla Colour Catalogue

ColourSpun Pure Cotton Yarn is ring spun, (a process that gives greater durability while maintaining softness, making it perfect for knitting, crochet and weaving) from the best quality natural cotton. Cotton Scintilla Sport is a blend of Pure Cotton (80%) and Viscose (20%) Cotton Scintilla DK is a blend of Pure Cotton (50%) and Bamboo (50%)

Available in 500+ colours which are hand dyed in batches of 5 skeins at a time, using an earth friendly process and dyes. Larger batches can be dyed on request. More colours may be added from time to time, see the full range on the website.

NB: colours may vary due to monitor and print settings on different computers and printers.
